Start Date: Easter/September 2012

Teacher of Art – NQT/MPS/UPS

Permanent – Full-Time

Boston Spa is a large, successful school, at 96% achieving significantly above FFTD, with an 'Outstanding' Sports College Specialism.

The Art and Design Department at Boston Spa is a hugely popular and successful part of the curriculum. It has recently expanded to include A Level and Level 3 BTEC Photography as well as the introduction of Level 2 Btec Certificates in Art & Design at Key Stage 3. These have proved so popular that this expansion of the curriculum demands another teacher to join the team.

The successful applicant will put the needs of young people first, have a passion for learning, excellent interpersonal skills, and will be emotionally literate. The appointed colleague will be required to teach art to GCSE and Btec Level with the addition of AS and BTEC Art & Photography at Key Stage 5.

Located between York, Leeds and Harrogate, Boston Spa School is committed to the development of the whole student, the physical, aesthetic, emotional, moral, spiritual as well as the intellectual.

Applications are invited from enthusiastic, inspirational teachers of Art to join its CAT team (Creative Arts and Technology).

We are committed to safeguarding and promoting the welfare of our pupils and expect all staff and volunteers to share this commitment. Appointments will be subject to an enhanced CRB disclosure.
