Boston Spa is a large, successful school, at 96% achieving significantly above FFTD, with an 'Outstanding' Sports College Specialism.

The successful applicant will put the needs of young people first, have experience across a range of tools and processes common in school workshops, have a passion for learning, excellent interpersonal skills, and will be emotionally literate. They will also be expected to support colleagues in implementing new and innovative approaches to learning. Should have practical work skills in Wood, Metal and Plastics with CAD/CAM experience and the use of heavy machinery.

Located between York, Leeds and Harrogate, Boston Spa School is committed to the development of the whole student, the physical, aesthetic, emotional, moral, spiritual as well as the intellectual.

We are committed to safeguarding and promoting the welfare of our pupils and expect all staff and volunteers to share this commitment. Appointments will be subject to an enhanced CRB disclosure.
