Secondary Assembly

#SID2015 #up2us

The graphic features a large blue cross shape composed of various internet-related icons such as a smartphone, a laptop, a globe, a power button, a magnifying glass, a speech bubble, a gear, a lightbulb, a music note, a play button, a thumbs up, a thumbs down, a padlock, a key, a mail icon, a social media icon, a search icon, a refresh icon, a share icon, a comment icon, a retweet icon, a download icon, an upload icon, a print icon, a link icon, a document icon, a folder icon, a trash can icon, a recycle bin icon, a power icon, a refresh icon, a share icon, a comment icon, a retweet icon, a download icon, an upload icon, a print icon, a link icon, a document icon, a folder icon, a trash can icon, a recycle bin icon. The UK Safer Internet Centre logo is in the bottom left corner. A smaller version of the Safer Internet Day 2015 logo is in the middle right. A blue banner with the text 'Secondary Assembly' is in the bottom right. Two blue banners with the hashtags '#SID2015' and '#up2us' are at the bottom.

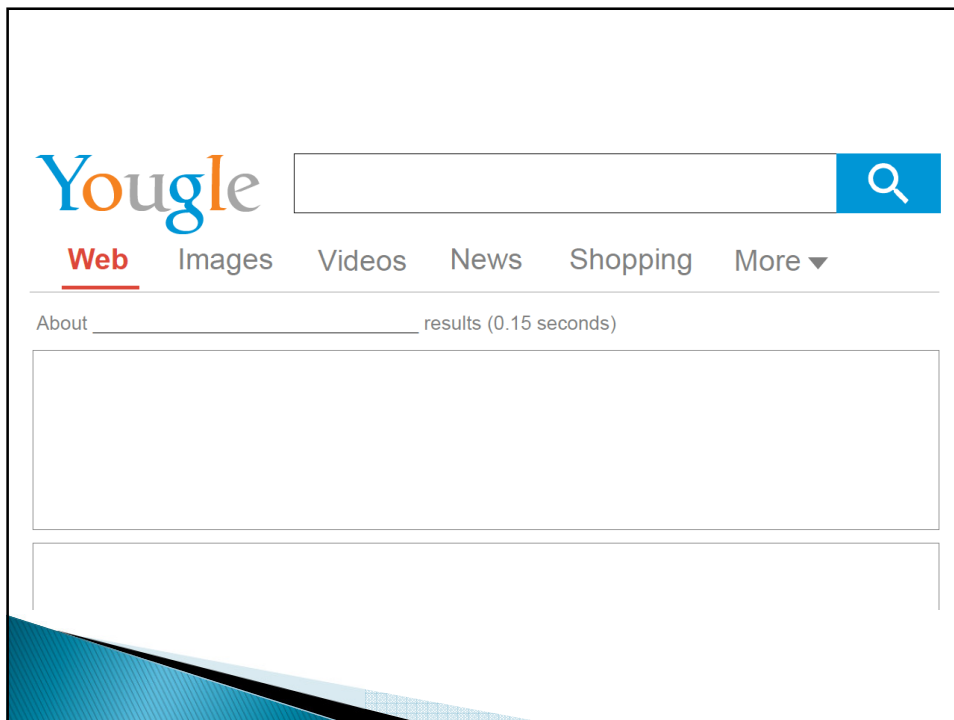

Your internet

- ▶ What are the benefits and risks of being online?

Your search results

How would you like your online profile to be remembered? Picture yourself far in the future ...Were you respectful to others? Were you careful about what you posted online? Did you show off your talents and skills online? Did you educate others about how to use the internet appropriately?

Using the **Yoogle** results page, imagine that you are searching yourself online – think about how you would like a future employer to see your online reputation. If they were to search your name ten years from now, what would you like the first 5 results to say?

The image shows a screenshot of the Yoogle search engine interface. At the top left is the Yoogle logo. To its right is a search input field with a magnifying glass icon on the right side. Below the search bar are navigation links: [Web](#) (underlined), [Images](#), [Videos](#), [News](#), [Shopping](#), and [More](#) with a downward arrow. Below these links, it says "About _____ results (0.15 seconds)". There are two large empty rectangular boxes below the search results area, likely representing the search results themselves.

Your pledge

- ▶ What promise will you make to help create a better internet?

- ▶ For example...
 - I will write my younger cousin a nice email.
 - I will show someone in a younger year how to block something online etc. (discuss the challenges that some people may experience online and how they can help someone and make a difference)
 - I will help my grandparents to use Skype to chat with other family members

It's up to us!

- ▶ How can we create a better internet?
- ▶ Think about a campaign that you could be part of in school. Put a plan together about what you could do, who it would involve, what the impact would be and what resources you would need.
- ▶ Discuss your ideas with the person next to you – did you think of different ideas? How easily could you set up your ideas?

Homework

- ▶ Think about your pledge over the half term break and make it happen!
