

WH/RNM

6th March 2018

Dear Parent/Carer

I am writing to update you on staffing changes that will take place with effect from the end of this week.

Mr Cooke, who currently leads Year 11, has the opportunity to join a residential school in North Yorkshire, and given his years of service, we believe that we owe it to him to allow him to take up this opportunity as soon as he is able, so he will be leaving us this week.

I am very pleased that Mr Billington will be taking over the leadership of Year 11 as a temporary position. I know that all our families who have worked with Mr Billington will welcome this appointment. Likewise, I am pleased to have offered a temporary post to Mr McKeogh to lead Geography while Mr Billington is in his new post.

Yours sincerely

CHRISTOPHER WALSH
Principal
