

WH/RNM

11th May 2018

Dear Parent/Carer

Further to the publication of this afternoon's blog I have taken a phone call from the office at the Regional Schools Commissioner as regards our application to join The GORSE Academies Trust (TGAT).

The Regional Schools Commissioner has determined that our application to join TGAT should be considered by the Headteacher Board for Lancashire and West Yorkshire in late May. Their recommendation will be referred to the Minister for a decision in June.

We have really appreciated your support over this last year; it has been exceptional and has meant so much to us all.

We are most encouraged to see this progress and will continue to keep you informed.

I hope you have a lovely weekend.

Yours sincerely

CHRISTOPHER WALSH
Principal
