

# Who can help me?

Sometimes everyone needs some extra help and support, particularly if something is troubling you. At Boston Spa Academy there are lots of people who can help you.

## Form Tutor

Your form tutor is the first person to go to if you are having a problem or are concerned about something. They are the people who know you best, and this helps them arrange the best support for you. You meet with them every morning, and they will be pleased to see you at break, lunch or after school if you need them.

## Head of Year

Your head of year makes sure that all the students in your year group are doing their very best in lessons and around school. They will work with form tutors to make sure students have the support they need to achieve their potential.

## Child Protection Officer

Ms. Spink our Child protection officer can help you if you are being harmed by someone (in or out of school) or are at risk of being harmed or if you think you require additional support. If Ms. Spink is not available you can see Mrs. Morrell.

## The 'Tell Us' Button

If you are struggling to tell someone about your problem or concern you can always use the 'Tell Us' button on our website. This confidential email contact is an easy way for you to raise a matter with school and allows us to offer you the support you need.
