Lines from Selby Grammar School Report 1977

Too daft to laugh at.

Letter

Dear John

By the time you get this letter I'll be in Jersey.

I'm really sorry but I want us to finish. The last 2 years have been great so I don't want to lie to you. I've found someone else I really fancy – Dominic.

I know this will be really hard for you but good luck in your results – maybe I'll see you in London.

Reference for Headship

So, in conclusion, I can confirm that he is a young man who will be an outstanding Headteacher at Morley High School. He has achieved a great deal in a relatively short career, he is ambitious and he works tremendously hard. In short, if you secure his services, you will consider yourselves most fortunate.

I recommend him to you without reservation.

Yours sincerely,

V S Kenningham

JUDGEMENT

The work

Life is often compared to a marathon, but I think it is more like a sprinter: long stretches of hard work punctuated by brief moments in which we are given the opportunity to perform at our best.
