Dear Parent/Carer

Admissions Policy for 2020/21 Consultation

The GORSE Academies Trust, as the admission authority for 11 academies in Leeds including this Academy, is proposing some changes to the Admissions Policy which would apply to school place applications for the academic year 2020/21 for primary and secondary schools.

The consultation will run from **Friday 7 December 2018 to 23 January 2019**. The outcome of the consultation will be posted on the website by the end of February 2019.

As we have recently formally joined the Trust, the format of the proposed Admission Policy for 2020/21 may look quite different to our current policy. However, the application of the two policies are very similar and the only changes we are proposing to Boston Spa's current policy, other than the presentation of the document, are those highlighted in the consultation.

A copy of the consultation document and the online survey can be found on the [TGAT website](#).

Alternatively, a hard copy of the consultation and the response questionnaire is available on reception at the school.

We would welcome your views regarding the proposed changes.

Yours sincerely
